INVITED TALKS AND SEMINARS

Internal Seminar, U.S. Food and Drug Administration (FDA), USA	2026 (forthcoming)
PhD Student Seminar, Harvard T.H. Chan School of Public Health, Boston, USA	2026

CONFERENCE PRESENTATIONS

Nonmarket Valuation Workshop (JEEM/REE), Bilbao, Spain. "Valuing Morbidity at Scale: A Cross-Country Demand-Side Value per QALY."	2026
Society for Benefit-Cost Analysis Annual Conference, Washington, DC, USA. "Valuing Morbidity at Scale: A Cross-Country Demand-Side Value per QALY."	2026
Society for Benefit-Cost Analysis European Conference, Athens, Greece. "Valuing Morbidity at Scale: A Cross-Country Demand-Side Value per QALY."	2025
Workshop on Economic Valuation, University of Angers, France. "Valuing Morbidity at Scale: A Cross-Country Demand-Side Value per QALY."	2025

RESEARCH AND PROFESSIONAL EXPERIENCE

Pre-Doctoral Researcher , Université Paris-Dauphine – PSL, Paris, France	2023 – 2024
– Conducted stated-preference surveys and equity-weighted cost–benefit analysis on environmental health policy (VALESOR, Horizon Europe; SWACHE, OECD).	
Policy Analyst , Permanent Representation of Greece to the EU, Brussels	2023
– Analysed policies in working groups of the Council of the EU on internal market and industry files.	
Research Assistant , ifo Institute, Munich, Germany	2022
– Studied the consequences of digitisation on employment and voter turnout using a regression discontinuity design, at the Center for Industrial Organisation and New Technologies.	
Retail Network Operations Officer , Eurobank, Athens, Greece	2020 – 2021
– Coordinated digital-transformation projects across 100 branches; led training programme for 300 retail-banking staff.	

HONORS AND AWARDS

Full Doctoral Fellowship, Institut Carnot M.I.N.E.S	2024 – 2027
Honors Student, Athens University of Economics and Business (top 3% of class)	2020
Best Speaker Award, Model of European Union, BETA Greece	2019

SKILLS

Statistical & Programming: Stata, R, MATLAB
Surveying Software: Qualtrics, LimeSurvey
Languages: Greek (native), English (C2), French (C2), Spanish (A2)
